Mr. Sidney Lindner, Supervisor
Department of Welfare
902 Broadway
New York, N. Y.

My dear Mr. Lindner:

Your letter of the 25th ultimo received, reporting another voluntary refund, in this instance to the amount of forty-nine dollars and sixty cents by Miss Faithful Peace. Our correspondence has been quite regular, as MY followers continue to repay the City Welfare for relief service rendered them before I took them off the Relief Rolls.

Whensoever MY thought is directed, as it is now in writing to you who represent the civic government, I AM moved to stress the economic value this Teaching exhibits; for it is fundamentally of Righteousness, Justice and Truth, upon which all governments should be founded.

The moral status of the hundreds of millions of MY followers represents economic security and prosperity. Educators and great statesmen, both those who have passed on and those today who are striving to build up an equitable government, point to a MORAL reformation that is necessary to bring about an economic, industrial, political and social reformation, whereby mankind generally is guaranteed the right to Life, Liberty and the pursuit of Happiness.

When men change their code of ethics, realizing the Hand of God is the essential factor to adjust world problems, the stupendous amounts figuring up into the billions that are spent by this United States Government alone in appropriations for unemployment relief, war defenses and all kinds of securities and many other expenditures, will be cut down and those billions will be used in the construction of properties, to increase natural resources, in science and invention, and innumerable developments necessary for the welfare, Peace and security of men.

It is a marvelous outlook as one considers a government built upon the Principle of Righteousness, Justice and Truth such as I AM effecting through MY Work and Mission, and the sooner men remove the wall of partition, endeavoring to keep God from dominating the lives and affairs of men, the quicker will be the establishment of a Righteous Government on earth universally, which means the quicker men will have Peace, Liberty, Health and Prosperity a reality in their midst.

Again wishing you every success and desiring that you might be even as I AM, this leaves ME Well, Healthy, Joyful, Peaceful, Lively, Loving, Successful, Prosperous and Happy in Spirit, Body and Mind and in every organ, muscle, sinew, joint, limb, vein and bone and even in every atom, fibre and cell of MY Bodily Form.

Respectfully and Sincerely, I AM

REV. M. J. DIVINE

Newark, New Jersey.

My dear Father Divine:—

I wish to take this opportunity of expressing my sincere appreciation for the splendid work you are doing. Because of my practice, I am, perhaps, in a position to meet a larger number of your people than the average layman, and I say, in all sincerity, that they seem to be imbued with a sense of honor and decency that is rare.

I wish to relate one intimate experience I had with my

Standard of MY Righteous Government Platform, even as millions are now living in accordance with it, they would hasten world economic prosperity and the adjustment of all inequitable conditions universally.

Hence, I shall continue to inject this Spirit and Mind of Righteousness in the hearts and minds of all men that Righteousness might waive out all unrighteousness and take its rightful place on the earth among men.

With best wishes to you, desiring that you might be as I AM, this leaves ME Well, Healthy, Joyful, Peaceful, Lively, Loving, Successful, Prosperous and Happy in Spirit, Body and Mind and in every organ, muscle, sinew, joint, limb, vein and bone and even in every atom, fibre and cell of MY Bodily Form.

FATHER Writes

PEACE

FEBRUARY 28, 1939 A.D.F.D.

Mr. Lee W. McHenry
The McHenry Press, Inc.
Oneida, New York

My dear Mr. McHenry:

I AM writing to acknowledge receipt of your letter of the 27th instant extending your appreciation for the settlement of an old debt of twenty-five years standing from Mr. E. A. Burns.

If you could but know the profundity of this Work I AM endeavoring and accomplishing among the inhabitants of the world, you would be convinced that a Spiritual Era has dawned among men and is purifying them unto Righteousness, Justice and Truth.

This single act of honesty characterized by Mr. Burns in making restitution for back debts, is but one of millions, as the many millions following ME stand faithful to the Economic Plank of MY Righteous Government Platform which states:

"Legislation making it a criminal offence for any individual to spend money except for necessities of life, while he owes a just debt to any other individual or organization. The followers of Father Divine will not owe another, and will not buy on the installment plan."

As you better comprehend the Work of MY Mission among men, you will find it is not bound to the Religious field alone, although I AM lifting mankind through and by the Light of Spirituality, but it is at once made scientific and practical in the lives and affairs of all men, as it is declared: "God shall bring every Work into judgment." That is to say, all fields of life, extending into the business, the professions, labor and trades of men shall be dominated by this Principle of Righteousness, Justice and Truth.

Hence, as I inculcate the Spirit of MY Mind and the Mind of MY Spirit within the hearts and lives of the children of men, I AM edifying them in the only way whereby they will gain Peace, Health and Happiness. Human intelligence has not given them such, but to the contrary, it has reached its destination as it has developed in this civilized world, mass slaughtering, human tortures, social and economic hardships.

Therefore, as the Hand of God, as being termed the Spirit of God changes the contents of the hearts of men; causing them to personify new characteristics, a new disposition and a new nature, the very works of men will change, making the world a better place in which to live.

It is with sincere wishes to you that I would that you might be as I AM, as this leaves ME ever Well, Healthy, Joyful, Peaceful, Lively, Loving, Successful, Prosperous and Happy in Spirit, Body and Mind and in every organ, muscle, sinew, joint, limb, vein and bone and even in every atom, fibre and cell of MY Bodily Form.

Respectfully and Sincere, I AM

PEACE

FEBRUARY 28, 1939 A.D.F.D.

Mr. George T. Hastings, Vice Pres.

National Remedy Company, Inc.

56 West 45th Street

New York City

My dear Mr. Hastings:

I AM writing in appreciation of your letter of the 25th, in which you have acknowledged receipt of six dollars from one of MY followers, in full payment of a debt she owed you.

I also wish to extend MY sincere appreciation for

your kind efforts to further the cause of this great Work, but as you find enclosed, I AM returning your check to the amount of six dollars, as I do not accept of contributions, donations, compensations or any other benefit as an offering for MY Spiritual Work and Service to men. I AM a Free Gift to the world, Gratis to mankind.

It is MY belief that anyone who gives out money should receive something tangible, something practical in return or exchange for same. But as far as extending aid in the way of giving love-offerings and the like for the Spiritual Word and Work of Truth to church organizations, Truth teachers, preachers and other ecclesiastical instructors, such is contrary to the Gospel of Jesus Christ, of Whom even Jesus was GIVEN to the world, a Sacrifice for all men, and HE declared: "Freely ye have RECEIVED, FREELY give."

By the transmission of MY Spirit and MY Mind within the consciousness of men, they are not only emancipated from immoral characteristics, but the whole course of their lives is changed. This is not an individual affair to the extent that only a limited number are quickened in the Light of Righteousness, Justice and Truth, but this is a universal movement whereby civilization as a whole will be revolutionized.

Nevertheless, to bring about a world conversion, it is necessary that the work of Righteousness begin within the heart of man, as it is Scripturally determined: "Charity begins at home and spreads abroad."

It is for this cause that you can find millions who have awakened to the reality of the Truth, moving as single units upon this Standard in their divers business and social activities.

As Righteousness is the intent and purpose of their personal experiences, I declare, as with an individual, so with a nation. And not only so, but as with a nation so can it be with all nations universally, and so SHALL it be, for it is the nature of the Truth to expand and increase, while it is the nature of error to destroy itself.

Thus you can see a Righteous Government forming in your midst and the inhabitants of the world enjoying their civil rights to Life, Liberty, the pursuit and the reality of Happiness.

With sincere wishes to you, desiring that you might be as this leaves ME, I AM Well, Healthy, Joyful, Peaceful, Lively, Loving, Successful, Prosperous and Happy in Spirit, Body and Mind and in every organ, muscle, sinew, joint, limb, vein and bone and even in every atom, fibre and cell of MY Bodily Form.

411 Lincoln Park Drive

My dear Mr. Caswell:

I have your letter of the 21st, acknowledging the refund of nine dollars and fifteen cents from a follower of Mine to whom you rendered City aid in 1934. I AM grateful for your response to the same, as this is but another proof of the practicality of this Teaching of Righteousness, Justice and Truth I AM setting forth as the fundamental principle that will bring about a Righteous Government among all men.

As the cry of the unemployed is for Work and the cry of the under-privileged is for Justice; as the cry of the segregated and non-privileged is for Equal Opportunity and the cry of the oppressed is for Peace and Freedom, with numerous other petitions and calls for an equitable adjustment of economic, industrial and social conditions, it is expedient that a Righteous Government be established and exercised from the Government Seat of the Capitols of every nation.

It is to this end that my work and service are directed. It is the theme of operation governing the activities of this Peace Mission Movement. Yet I AM working as no man yet worked, for I AM quickening the hearts of men with the Spirit of a Righteous Government and causing them to move, not by the unrighteous written laws of men, but by the Righteousness of the Law of the Spirit of Life.

It is therefore by this that you have received reimbursement for welfare assistance given the party as above mentioned. If the masses would conform to this
